**To All Players/Parents:**

The youth of today are our future! The Tallahassee Comets is a non-profit corporation, who supports and promotes competitive girls basketball in the North Florida area. We would like to do more in promoting and providing recruiting exposure to players within our area.

The Tallahassee Comets is offering a free player profile service for girls basketball players. The service is available to all players who wish to pursue opportunities to continue playing basketball on the college level while furthering their education. The Tallahassee Comets has established a database of over 1,600 college coaches from Divisions I, II, III, NAIA and NJCAA. The profiles of serious athletes will be forwarded to the college coaches and posted on our website.

If you would like to take advantage of this free service, please complete the attached profile agreement and form. The completed documentation can be returned by fax, regular postal service or e-mail.

On behalf of the Tallahassee Comets, thank you for your interest. If you have any questions, please feel free to contact the Comets at [hoops@cometsget.net](mailto:hoops@cometsget.net) if there are any questions.

**Yours in Hoops,**

*Robert*
